RE: File No. 9995 IFB for Pick-up, Transport and Disposal of Unclassified Fill for The Water Department for FY22- Addendum No. 1

This addendum is comprised of:

1. Submitted Questions and Answers
2. Changes to IFB specifications

1. SUBMITTED QUESTIONS AND ANSWERS:

1. Q: Where has/was the Unclassified Fill shipped by the current, or last, contractor performing this scope?

A: References to disposal site, chemical analysis, and environmental control were included in error and are not required for this Invitation to Bid. Please see revised bid specifications, quality requirements, and bid submission requirements as attached.

2. Q: What was the awarded unit price bid for the shipping of the Unclassified Fill by the current, or last, contractor performing this scope?

A: The bid price for pick-up and disposal of the unclassified material is \$26.50 per ton.

3. Q: Please supply the latest chemical characterization analysis results for the Unclassified Fill.

A: Please see response to question no. 1.

4. Q: Who is responsible for chemical analysis of the Unclassified Fill material to determine if it's acceptable for where it's been bid to go?

A: Please see response to question no. 1.

5. Q: What happens if/when the chemical analysis of the Unclassified Fill shows that the material is not suitable to go to where the Contractor has bid it to go?

A: Please see response to question no. 1.

2. CHANGES TO IFB SPECIFICATIONS:

Scope of Services, Quality Requirements, and Bid Submission Requirements have been revised to omit any references to environmental control, disposal site, and chemical analysis. Please use the revised attached specifications (attachment 1) in place of pages 5 and 6 of the Invitation to Bid.

All other details remain the same.
